This is Addendum Two to the Request For Statement Of Interest (RFSI) #CFCI-CEO-2021-04 for Identification of Nonprofit or For-Profit Entities to Apply Jointly with the County of Los Angeles for Homekey Round 2 Notice Of Funding Availability, which was released on October 20, 2021.

The purpose of this Addendum Two to the RFSI is to provide qualified nonprofit or for-profit entities (Respondents) an opportunity to submit a Statement of Interest to receive County's supplementary funding to selected co-applicant(s) who will be awarded capital and operating funds from the California Department of Housing and Community Development (HCD).

Respondents may only submit a proposal if they have been selected by the County to be a co-applicant for the Homekey Round 2 Program (Homekey Program). established by the federal ARP Act of 2021 for capital subsidy (to be utilized for both acquisition and rehabilitation of properties) and operating subsidy to proposer(s) for properties acquired through a joint application with the County to the State's Homekey Round 2 Program. All ARP Act funds awarded for use as capital and operating funds must be fully expended by the recipient no later than June 30, 2026.

The County is utilizing its allocation of ARP Act funds to assist the County in its efforts to provide economic recovery and resilience to the communities most impacted by the COVID-19 pandemic. Additional services may be requested of the selected Proposer(s) on an ongoing basis at the discretion of the County.

Respondents who receive funding from State and County will be responsible for compliance with the applicable State or Federal requirements, including but not limited to Section 3 of the U.S. Housing Act of 1968, as amended, and prevailing wage requirements and are subject to National Environmental Policy Act (NEPA).

Equity Lens: The HCD has included in its Homekey Program Round 2 Notice of Funding Availability (NOFA) an emphasis on addressing racial disparities within the homeless population and system, and is requiring that applicants for Homekey Program funding examine disproportionate impacts in their own communities and to develop strategies to address these impacts. In addition, the County's Board of Supervisors (Board) has directed County Departments utilizing County's ARP funds to target the distribution of these resources to communities, especially communities of color, most impacted by the COVID-19 pandemic and most affected by poverty.

The County will work closely with Respondents selected through the RFSI process and County ARP funds will be distributed to Respondents to meet the State, Federal and County equity requirements.
